

Buprenorphine Prescribing in the Chronic Pain Patient

CME/Social Work CEU credits pending | MCBAP credit approved
1 DEA SUD Training credit approved

Please join the Michigan Opioid Collaborative for a presentation and discussion on prescribing buprenorphine for chronic pain patients. Many patients and prescribers often have frequent misconceptions about the potential benefits and uses of buprenorphine over other opioids when prescribing for chronic pain patients. Learn more about the latest information and how to prescribe for pain using both FDA-approved and off-label versions of buprenorphine. Q&A and discussion to follow.

Presenter:

Dr. Dan Berland, MD

June 15

12 - 1 PM
