

Taking a Sexual History: Learning to Start PrEP

MCBAP/Social Work CEU credits approved | CME credit pending
Meets 1 Credit for the DEA SUD Training Requirements

Please join the Michigan Opioid Collaborative for a presentation and discussion on the prevalence, epidemiology, and disparity information about HIV. Including topics like the importance of sexual history and how to take one, the changing demographics of HIV infections, screening for PrEP, and educating patients on how PrEP can work for them. Q&A and discussion to follow.

Presenters:

Sheba Sethi, MD
Paul Trowbridge, MD

July 31
12 PM - 1 PM
